

Black Park Walks

Walks likely to be suitable for people with impaired mobility and users of wheelchairs, mobility scooters and pushchairs

Black Park Country Park is a large area of pinewoods and heath with a lake. Part of the Park is a nature reserve and it is a popular location for film sets as Pinewood Studios is nearby. There are many miles of trails around the lake and through the woods and car parking, toilets, children's play area and refreshments are available.

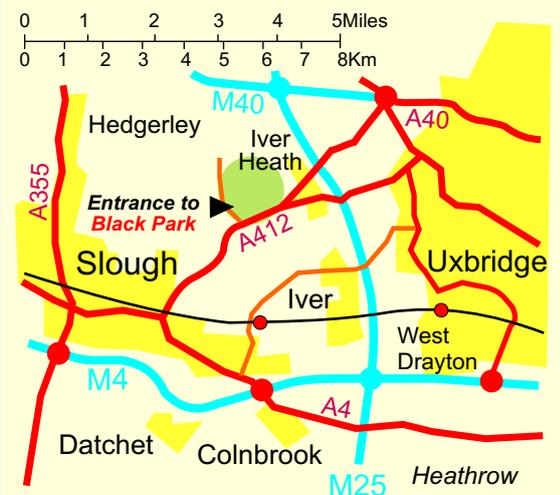

Path Information

There is a tarmac path around the lake with seating every 100m. There are many miles of hard stony paths through the woods. The Park is mainly flat with no stiles and few gates or other barriers. The map shows types of path, any slopes, gates, etc. to help you to decide which paths are suitable for you. Some paths are also used by cyclists and horse-riders.
