Thame to
Princes
Risborough

A 5 mile
shared use
path for
walkers,
cyclists,
wheelchair
users and
horseriders

Winged Seat by Angus Ross

The Phoenix Trail has something to suit everyone, whether it's a quick and traffic-free cycle ride between Princes Risborough and Thame, a tranquil path to amble along with your dog on a summer's evening, somewhere safe to teach your child to ride their first bicycle, or a connecting route for horses to get on and off the Ridgeway at Bledlow. Sit on the sculptures to admire the magnificent views of the nearby Chiltern Hills and observe Red Kites, the impressive birds of prey that thrive in the area. Whatever the weather or season, the Phoenix Trail gives you the chance to get out into the fresh air all year round.
See you there!

The National Cycle Network is a comprehensive network of safe and attractive routes to cycle throughout the UK. 10,000 miles are due for completion by 2005, one third of which will be on traffic-free paths, the rest will follow quiet lanes or traffic-calmed roads. It is delivered through the policies and programmes of over 450 local authorities and other partners, and is co-ordinated by the charity Sustrans.

The Phoenix Trail

The Phoenix Trail is flat and surfaced and ideal for wheelchairs and pushchairs and there is seating every 500 metres. The first 2.5 miles out of Thame are surfaced with tarmac and the remainder with compacted limestone dust. Wheelchairs may experience difficulty with the access ramps at Towersey Halt and the B4009.

There are many artworks on the trail, for a separate leaflet on these please contact Sustrans 0845 113 0065 or www.nationalcyclenetwork.org.uk
