

We care for the Chilterns

Introduction

The Chiltern Society wants you to enjoy walking the Chiltern Heritage Trail, so we regularly check the paths and waymarking on the route. However, from time to time the route needs to be temporarily or permanently diverted. This note describes where the Chiltern Heritage Trail currently follows a different route to that described in the latest version of the guide to the route - The Chiltern Heritage Trail - published in 2016.

The sections and page numbers referred to below are from this book. The location information and description below assume you are walking the route clockwise. The grid reference gives the point where the description starts.

You can buy the book from the Chiltern Society or from Amazon.

Stage 6 Great Missenden to Chartridge

Great Missenden footpath GMI/13/3 is closed until 30 September 2020 to allow for HS2 related cabling works. For more information go to <https://www.bucksc.gov.uk/media/4514319/gmi-12.pdf>
