Bear left down to the road and cross at the pedestrian crossing. Turn left and continue under three bridges (railway and dual carriageway).

Immediately after the third bridge, cross the road to join the Chiltern Way. Turn left to join a footpath running along the base of the A41 embankment. When you come to the end of a rough lane on the right and a subway under the road to the left, bear half-right uphill. Follow the footpath into trees where you swing a little further right. Continue climbing in the same direction to a road.

Turn left along the road then at a 'National Speed Limit' sign fork right on a lane. After the lane emerges from trees bear left on a footpath heading for a gap in the trees. Continue through 2 kissing gates to Longcroft Lane.

Turn right on the lane. When the road bends left continue straight on through a kissing gate. Head to a gap in the hedge. At the gap, bear half-right, heading towards trees on your right.

Continue with trees/hedge on the right, to a gate. At the gate, aim for top left corner of the field, continuing on a fenced path into Bovingdon. Turn right on Chipperfield Road for 50m.

Turn left across the grass onto Austins Mead, following it away from Chipperfield Road. Continue in the same direction onto a footpath where the Mead road turns right.

Follow the footpath across fields and, after the thirds gate, continue along a hedge on your left. Then, when the hedge stops, bear half-right across the field to hedge on the right. Continue to Flaunden Lane

Turn right on the lane, leaving it on a footpath left after 200m. Turn left when you come to a T junction of paths at the end of Dons Wood. Follow the path to Holly Hedges Lane.

Turn left on a footpath before you reach the village. Follow it to a road, where you turn right then left on another footpath. When you reach another road, turn left then right at a brick and flint wall.

Follow the footpath along a fence on your right to a gate then continue to concrete road. Follow the concrete road past Rosehall Wood, then on a left-hand bend, turn right over a stile. Continue diagonally across a large field, through 2 gates and continue in the waymarked direction to a road.

6: Moor Lane

Before you get to the church, turn sharp right along a hedge. Take the next footpath left, heading downhill. At the bottom of the hill continue in the same direction, through a gate and across the River Chess, then on a broad path across the valley bottom.

Head directly uphill through woods. After half a mile, the path bears right and crosses a field before passing back through trees and along a hedge to Latimer road at the edge of Chenies. Turn right then, after 200m, left on a footpath across fields to another road where you turn left to the Amersham Road.
